Food and Beverage

Restaurants

- ***Agora Buffet Restaurant.*** International Mediterranean Cuisine Agora (ăg`ora) in ancient Greece was a public square or marketplace that was primarily used as a lively place for public assembly and commerce and functioned mainly as a meeting point to gather and share knowledge and experiences. This vibrance is evoked by the AGORA restaurant that creates a get together mouthwatering atmosphere, full of tastes, colors, textures, locality and smells. Our guests are able to take in a vivid social epicurean scene, where there is always something new to taste and sip, paired with stunning beach views, beautiful interiors, a lush courtyard and culinary workshops. Breakfast: 07:30 – 11:00 | Lunch: NO | Dinner: 18:30 – 22:00
- ***Frourio A La Carte Restaurant***. Italian a la Carte Restaurant with a Greek Twist This fine dining restaurant shows us the great Italian influence that Corfu Island had during the Venetian rule. The current cityscape embraces two main fortresses (Froúrio) that have become the icon of the city of Corfu. Serenity, classicism, rich and varied gastronomy. This iconic space will offer to our guests the opportunity to taste the original Italian gastronomy via adapted Grecian recipes and live action with a chef's table facing a bustling open kitchen and a robust selection of local and

international wines by a connecting wine cellar. Breakfast: NO | Lunch: NO | Dinner: 19:00 - 22:15 A la carte Restaurant

- ***Topos Beach Restaurant.*** Grilled Seafood Restaurant. Greek coastal towns most often have picturesque places where fresh regionally-sourced seafood is served and are usually known locally as “psaro-tavernas”. They are part of the lifestyle and friendly character of Greeks, who love to go out, meet people and share their food. At the best possible location of the hotel, on the seashore, with stunning views, the sea breeze, the summer smells... all the senses will be activated and guests will enjoy and become evolved in this Mediterranean tradition and unique dining experience. Breakfast: NO | Lunch: 13:00 - 15:00 | Dinner: 19:00 - 22:15. Lunch - Dinner: A la carte Restaurant
- ***Spianada Food Market.*** Street Food & Drinks The Spianada is a large square in the city of Corfu. It is the largest square in Greece and is located in front of the Old Fortress of the city of Corfu. Spianada is the place to be, where all the hustle and bustle takes place. Spianada will host food trucks for gourmet street food dining, providing a distinctive setting focused on open social life, featuring meze/local bites and organically farmed produce in simple, tasteful presentations. Just like a traditional Greek square, here guests will meet and share experiences around food at monastic tables and lounge seating for a dinner to remember. Breakfast: NO | Lunch: Snacks & Beverages 12:30 - 18:30 Dinner: Streetfood & Beverages 19:00 - 22:00 (Lunch / Dinner: Food Market)

Dress Code Sportswear, swimwear, tank tops, shorts, beach sandals and caps are not allowed. Dress code after 18:30 hours is smart evening attire. Gentlemen are requested to wear long trousers or elegant Bermuda shorts. Breakfast: International Buffet | Dinner: Buffet Restaurant

Bars

Conceptual Bars - menu developed by the awarded-winning mixologists of Apallou.

- ***Nkaleri Lounge Bar.*** NKALERI brings the most refined and eclectic sense of Corfu to our hotel. During the French and British rule, Corfu showcased its emblematic architecture, its vibrance and its love for team fun playing

games. The lounge intermix the above to evoke a dynamic energy. NKALERI is a dual venue: It is an inspiring space with a strong character and distinctive design, where guests are invited to come and palate branded liquors and signature cocktails and it is also the place to gather and play after dinner with friends in an inviting ambience with nightly music programming. Open Hours: 16:00 - 23:30

- ***Xenia Lobby / Check In Bar.*** Making our guests feel at home from the very first moment, bringing the Xenía ritual to them. This is about the Ancient Greek concept of hospitality; the generosity and courtesy shown to those who are far from home. After a long journey to finally arrive at your destination is a blissful moment of truth, thus, designing the check-in experience as the actual sense of arrival is key to us. Let us welcome you at the Lobby Bar with a special drink and snack both infused with local flair, to express our gratitude to you and have you experience the essence of Corfu, from the moment you arrive. Open Hours: 10:00 - 18:00
- ***Paralia Beach & Pool Bar.*** Greece is known today not only for its ancient history, but also for its idyllic beaches. Our resort has one of the best beaches in Corfu and we want to complement that beachside experience for our guests with a unique bar named Paralía (beach), right on the beach, sporting an open air multi-sided bar, expansive views and awe-inspiring sunsets. Here you will treat yourself to all day gastronomic offerings, top notch service, innovative craft cocktails and sun downers. Open Hours: 10:00-23:30 Snacks served: 12:30 - 18:30
- ***Freskada Fruit Bar (Wellness).*** Every day, people value more and more those healthy options that make them feel good about themselves as well as the obvious benefits for their body. So, it is important to offer a healthy space to our guests where simplicity and warmth are the essence, just like a traditional Greek store. Its location, of course, the hotel’s wellness area to complete the wellbeing experience of our guests and receive a full “ef zeen” spectrum. Open Hours: 10:00 - 18:00
