General

About Hotel

Domes of Elounda, Autograph Collection is a unique, award-winning retreat and the realized dream of Ledra Hotels, an organization that operates several hotels

in the area. Designed under the concept of proving both quiet zones and family friendly public areas and facilities, it is ideal for families and couples alike.

The food, the culture, the architecture is all brought to life in the form of a luxury resort that consists only of suites and villas. The essence of the concept is to provide guests with all the amenities of a resort while offering an abundance of living space, privacy and extraordinary service.

Minimally interfering with the natural habitat and harmonically blended with their surroundings, the domed structures emerge from the ground, respecting its natural contours and creating a Mediterranean on an amphitheater of flower gardens.

Each suite and villa finds its roots in architecture from Greece, Carpath and Syria, borrowing features such as domed and pyramidal ceilings that cool rooms capturing sea breezes, and create organically shaped living spaces at a human scale.

Mild earth tones are found throughout, embellished with works of art from internationally recognized art houses as well as one of a kind pieces from local artists

Domes of Elounda, Autograph Collection is constituted of two different sub-products:

- Domes Suites
- Haute Living Selection: Domes Private Residences, Domes Luxury Residences, Domes Luxury Villas

Food & Beverages

Restaurants

Dining at one of the four restaurants at Domes of Elounda is a culinary experience in itself. Whether a guest is looking for a casual beach side setting, Cretan Gourmet light meal or intimate romantic dining for two, the resort caters to all requests and desires. A spectacular variety of gourmet fish, Greek, Asian, International and Mediterranean cuisine is presented on signature menus that define each restaurant.

- THÓLOS Sample Cretan and Greek gems (Fully Renovated) Mirroring the signature design and ethos of Domes of Elounda, Thólos restaurant is located near the reception desk in the main building. In addition to its beautiful décor and atmosphere, it offers views for days. Seascapes drenched in the morning sun will greet you here every morning as you arrive for a scrumptious breakfast courtesy of the large buffet, which boasts special sections for children and vegetarians too. When it’s time for dinner, you’ll browse an exciting selection of dishes that are authentically Greek and Mediterranean, prepared by the kitchen team with fresh ingredients sourced locally. What’s more, themed nights bring dishes from across the world to ramp up the excitement throughout the season. Operating hours: 07:00 - 11:00 Breakfast, 20:00 - 22:00 Dinner.
- YAOSAI Elevated Asian Fusion for Aficionados As you marvel at the gorgeous panoramic vistas of Spinalonga islet, you take the first bite of your expertly prepared sushi. And then it hits you: Japan and Greece may be worlds apart in terms of distance, but they share a passion for the culinary arts that puts seafood centre stage. The time-honoured culinary traditions of Greece meet 21st-century high gastronomy on the surf at the beachfront Topos 1910, against a background of olive groves. In fact, Yaosai – Chinese for fortress, in honour of Spinalonga – is not merely an Asian restaurant and bar. It’s a veritable trove of flavour surprises that serves Japanese-Peruvian fusion cuisine. Admirers of everything epicurean

and aficionados of the latest culinary trends, take heed. This is an experience not to be missed – open for breakfast, lunch and dinner. Operating hours: 12:30 - 17.00 Lunch (adults-only and children older than 12 y.o.), 18:30 - 22:00 Dinner.

- TOPOS Gourmet Gastronomy by the Sea Light wood and vintage details contrast the blue stretch of the sea. Bright white tablecloths adorn the elegant tables, while the view takes your breath away. The time-honoured culinary traditions of Greece meet 21st century high gastronomy on the surf at the beachfront Topos 1910, against a background of olive groves. Exquisite seafood and fish brought in just a few hours ago by local fishermen is cooked to perfection and served on the beach or the pier, with the appetisingly salty breeze adding that extra something to the experience, every day. Topos 1910 is exemplary of the Domes approach to high dining. Doing away with the need for bells and whistles, we allow our immensely talented chef to be inspired by top-quality ingredients to put together scrumptious dishes that ooze creativity, bright flavours and enticing aromas. All this is served by attentive staff surfside, while our sommelier is eager to advise on excellent wine and drink pairings for your meal. Operating hours: 12:30 - 16:00 Lunch, 18:30 - 22:00 (theme nights, reservation required).
- BLEND Marvellous Meat Served in an Elegant Venue Newly updated with a brand new, bold focus in 2020, Blend Steakhouse is the resort’s sleek upmarket restaurant. Welcome to yet another outstanding Domes of Elounda restaurant whose menu has been carefully devised to follow the culinary ethos of the resort: superb ingredients, precise techniques and a healthy dose of creative flair. Located by the pool, Blend elevates the art of sourcing extraordinary cuts of meat from local farms as well as hand picked locations from all over the globe, cooking them to perfection – exactly as you wish – and serving alongside beautiful accompaniments. Here, you’ll enjoy lunch and dinner in a sleek, trendy setting, for a flavoursome stop to your amazing day. Don’t forget to pair your selection with a bottle from our wine list, for divine flavour combinations. Operating hours: 07:00 - 11:00 Breakfast, 12:30 - 16:00 Lunch, 18:30 - 22:00 Dinner
- CORE Delicious Street Food Leading the foodie trend in hospitality, we’ve made sure some of the best experiences on offer at CORE are culinary. Dotted around the plaza, deli stalls and food trucks serve cooked to-order, mouth-watering delicacies, featuring local legends and international food developments alike. There’s a coffee shop, and an ice cream and waffle bar,

while expert mixologists cook up perfectly prepared cocktails. Special epicurean events complete this foodie paradise.
