## Meal plan

- BB – Bed & Breakfast

## Food & Beverages

- ***Byron Court Terrace***

Corte Byron is named after the famous English poet who loved Italy and Tuscany. It is simply the best place to spend summer days and nights, ideal for enjoying the tranquillity and the gentle breeze among the perfumed fruit trees, for savouring appetisers, tasting a distillate or blissfully listening to the notes of a piano. This evocative corner of Bagni di Pisa is waiting to welcome you for lunch or dinner, surrounded by ancient architecture and greenery.

- ***Dei Lorena Restaurant***

At Ristorante dei Lorena, the pleasure of eating is enhanced by a thousand details, from the spectacular view of Pisa to the timeless refinement of a residence that has hosted kings and queens. Here, Chef Umberto Toscano will surprise you with the flavours of Tuscan tradition, his original creations and delicious, light dishes designed to combine taste with health and well-being.

- ***The Shelley Bar***

The bar welcomes you with light that enhances the colours, the frescoes and the elegant furnishings. Here is the centre of life in Bagni di Pisa. Over the years, its refined style has remained intact, with the addition of a selection of cocktails and drinks that you can sip and enjoy alone or in company.

# Thermal Spa

At Bagni di Pisa beauty is a source of wellness. The thermal pools and baths are set among the pilasters and the arches of the Grand Duke's palace, and the end result is a setting that can justifiably be called magnificent.

- ***Oriental and holistic disciplines***

Bagni di Pisa offers the very best of these practices that come from different cultures and far-off worlds and eras. Hot oils, powerful, skilful hands, and lively spa water work together for guests, creating an emotional dimension where wellness and regeneration reign supreme.

- ***Cave of the Grand Dukes***

A small passage carved into the stone centuries ago by hand, with a hammer and chisel. This is the Cave of the Grand Dukes, a magical place of quietude, where body and emotions are attended to in the natural warmth. It is a warm, humid natural environment, a thermal steam bath that balances body and mind, regulates blood pressure, and helps eliminate toxins. The warmth, the steam and the beneficial thermal substances reduce inflammatory reactions, relax every muscle and naturally open up the airways.

## Pools

- ***Bagni di Levante***. Bagni di Levante is a magical place: carefully restored, they are dedicated to the regenerating power of thermal water, which takes care of the body, the mind, and the emotional sphere. Immersing yourself in water with its natural heat is the simplest and most ancient regenerating treatment.
- ***Bioaquam®*** is a revitalising water experience that takes place in a spectacular central pool. The thermal water, with its precious natural elements, is slightly warmer than body temperature and comes directly from the springs, with its heat originating from the depths of the Earth. Beneath the illuminated eighteenth-century arches, you can enjoy

various water jets that relax, relieve tension, and stimulate circulation, providing a therapeutic experience for complete well-being.

- ***Bagno di Mercurio*** - dedicated to the beneficial power of sea salt where, you immerse yourself in water with a high salt concentration, which has a strong buoyancy and gives the sensation of floating in the absence of gravity. It is a magical experience, which gives moments of intense relaxation.
- ***Bagno di Minerva*** is a 35°C freshwater bath, enriched with underwater jets. The benefits of the thermal water, its precious elements and its warmth are enhanced by the massage, with healing effects on the circulatory and musculoskeletal system and a delightful energising effect.
- ***Outdoor swimming pool***. The outdoor swimming pool of Bagni di Pisa welcomes you on the terrace of Bagni di Ponente. All around is the greenery of the park, under the bright Tuscan sky. The thermal water comes directly from the source, with its relaxing warmth and the regenerating power of its precious elements. Underwater, the massaging jets dissolve tensions and stress, with a beneficial action for the circulation and for the muscular and skeletal system.

## Entertainment in the hotel and the area

- ***The cooking class***

A typical Tuscan cooking class with Chef Umberto Toscano

- ***Wine tasting***

The tasting of exquisite Tuscan wines accompanied by a sommelier.

- ***Hot air balloon flight***

Tassignano Airport, Capannori, around 20 km from Bagni di Pisa. Take an unforgettable journey over the landscape around Lucca, in the oldest and most evocative of all flying machines. Once you touch down, celebrate by tasting a selection of local wines and delicacies. At the end of the day, take home a first flight certificate signed by the balloon pilot.

- ***Sailboat trip from the port of Marina di Pisa***

A sailboat trip with expert sailors to learn the basics of sailing, take part in the manoeuvres, or relax in the shade of the sails.
