

# Grand Hotel Trieste & Victoria

The charm of a historic hotel and new pleasures with 5 thermal pools

## General

### About Hotel

Grand Hotel Trieste & Victoria is the perfect choice for those wishing to spend a spa holiday in Italy. The 5-star hotel rises above the pedestrianised area of Abano Terme, one of the most important thermal spas in Europe, located near the charming city of Venice.

The Trieste & Victoria offers its guests the opportunity to enjoy a unique multi-

sensory experience in the innovative White Spa, a unique environment where thermal baths and wellness combine to provide deep regenerating treatments based on the properties of mature mud and water saturated with bromine and iodine salts. Five thermal pools and an exceptional menu are the crowning glory of the moments of intense relaxation on offer, all surrounded by the soothing atmosphere of the lush flora that characterises the extensive park outside the hotel. Fine furnishings and curtains adorn the impressive setting inside this luxury hotel, and the large terrace above the Belle Époque façade offers majestic views of the city that will take your breath away.

## Restaurants

- ***Breakfast***

Start your day with breakfast served on the patio overlooking the park and pools. You'll find an unlimited choice of delicious items, ranging from healthy wellness foods to tempting delicacies. From cakes and croissants made by our pastry chefs to vegetable and detox dishes.

- ***Diaz Restaurant***

The a' la carte menu offers the opportunity to try regional cuisine from Veneto and other areas of Italy. The restaurant's staff, always ready to assist, is available to recommend the best wine to pair with each dish or to point out special local dishes on the menu, and chef Silvano Lain is able to satisfy any particular needs you may have.

- ***La Dolce Vita Grill & Bar***

Lunch is served at a poolside restaurant, which is located outdoors in the park, surrounded by palm trees, exotic trees, and thermal pools. At lunch, guests can enjoy grilled meat, fish, or vegetable dishes prepared fresh by the chef. No matter what guests are looking for, whether it is a light snack or simply a fruit extract to sip while resting on a deckchair at the poolside, La Dolce Vita can satisfy your every desire.

## Bars

- ***Secret Bar***

The Secret Bar, located in the spectacular historic hall of the hotel, is the perfect place for a light snack, a cup of tea, or a cappuccino, where you can enjoy these while relaxing in one of the armchairs and savoring the splendid atmosphere of a room that has made history in the hospitality world of Abano Terme. Not to be missed are the bar's aperitifs featuring an impressive

selection of fine wines, cocktails, and other drinks. The outdoor section of the bar faces Abano Terme's pedestrian area, and it is a charming place for relaxing under the palm trees.

- ***Victoria Club***

The most elegant and lively way to spend an evening in Abano Terme is at the Grand Hotel's party bar, Victoria Club. The Club is a place for live music and dancing; here you can spend a fun evening in grand style, enjoying cocktails, champagne, and other drinks to the sound of live music by international artists.

## **Park and Pools**

### **The Park**

- The vast 30,000 square metre park that surrounds the Grand Hotel Trieste & Victoria is almost a mystical world. Walking through the park and swimming in its pools brings serenity, insight and a sense of inner beauty. The park boasts a large number of European fan palms (888 in total) and a wide variety of plants bordering the pedestrian area.

### **Pools**

The thermal water, rich in mineral salts, bromine and iodine, comes to the surface at a temperature of 86°C in a well inside the hotel. The water is cooled and then piped to the 5 pools: 3 outdoor pools in the park, 1 indoor pool in the relaxation area of the spa and 1 indoor pool that can be reserved for private use. All the pools are accessible from inside the hotel and some are interconnected, making them ideal for use all year round.

- ***Crystal Pool***

The Crystal Pool can be your own private thermal pool at the White Spa. It is a quiet place available that can be reserved for the exclusive use of individuals, couples, and groups of guests. The privacy of the Crystal Pool also makes it the perfect place to undergo some physical therapy in thermal water with the assistance and supervision of a personal trainer.

- ***Jade Pool***

This pool is located in the relaxation area of the spa. It is connected to the outdoor

- ***Emerald Pool***

. The water temperature varies between 33°C and 35°C (91°F and 95°F) depending on the season.

- ***Sapphire Pool***

This pool is located outdoors in the park, next to the restaurant. The pool has jacuzzis for your legs, buttocks, thighs, neck, shoulders and whole body, as well as aquabikes for aqua spinning. The water temperature varies between 26°C and 30°C (79°F and 86°F) depending on the time of year, and since this pool has cool thermal water, it is perfect in summer and a favourite with swimmers all year round.

- ***Emerald Pool***

This pool, which is outdoors in the park, is connected to the Jade Pool indoors. The water temperature varies between 33°C and 35°C (91°F and 95°F), depending on the season. The pool has sitting areas that feature whirlpool baths for your back and buttocks and features a health path for improving the wellness of your legs.

- ***Turquoise Pool***

This pool is located in the open air, among the exotic plants of the park. The water temperature varies between 32°C and 35°C (90°F and 95°F) depending on the season, and the pool is equipped with water jets to stimulate microcirculation and invigorate the body. The pool is connected to the indoor Jade Pool, so you can go from indoor to outdoor without leaving the thermal water.

## **SPA**

### ***White Spa***

At the White Spa you will experience the healing properties of thermal mud, the pleasure of beauty treatments and the relaxation of body and senses in a place designed specifically for your wellbeing. Clay and thermal water: from nature two allies at the service of health and beauty. The thermal water from private springs boasts a temperature of about 86°C travels to reach the Euganean Hills about 25 to 30 years over limestone rock, at depths exceeding 2000 meters underground, allows the water to get enriched with heat and precious mineral salts. Clay and thermal water are mixed in maturation pools for a period of at least two months and so the transformation of clay into mature mud takes place thanks to the growth of a vegetable component, constituted by particular families of thermophilic algae and cyanobacteria.

- ***Mud and thermal treatments***

Natural clay and thermal water: the combination of these two elements is what creates our thermal mud, full of anti-oxidant and anti-inflammatory properties.

- ***5 Senses***

The most amazing 80 minutes you will ever spend. A completely private area of the Spa, just for you. A place for you to enjoy an unforgettable experience of anti-stress waterfalls, steam baths, spa mud and other opportunities for total purification.

- ***Massages***

Hot stone, lymph drainage, and Shiatsu through to our Signature treatments such as Deep Tissue to give your skin a surprising elasticity. Away with tension and stress.

- ***Rehabilitation and Physiotherapy***

Hydrokinesis therapy in thermal water offers superior effectiveness thanks to its anti-inflammatory and analgesic properties, as well as the psychological benefits that come from movement in a safe, reassuring and relaxing environment.

- ***Body treatments***

A range of Signature Treatments using a combination of thermal mud and cosmeceuticals. An effective, pleasant experience for legs, figure and to purify

the body.

- ***Rituals***

A world of sublimely delicious moments that envelop your mind and body together. Sensory treatments using gestures and perfumes for surprising emotional effect.

- ***Facial treatments***

Signature Treatments where spa elements are combined with vitamins, botanical extracts, and the manual expertise of our massages for a deep polysensory relaxation experience.

- ***Ayurveda***

Hot oil and expert hands for a massage based on Indian traditions and a wellness that comes from a new, rebalanced you.
