Pools and SPA

SPA

- Pamper yourself with unique aesthetic, intensive and anti-aging treatments, hydromassages, massages and thermal caves. The spa boasts two medical clinics, 14 refurbished cabins for thermal therapies, and 20 cabins with cutting-edge wellness equipment such as Ayurvedic and Shiatsu treatments, and emotional beauty therapies. Additionally, there are two suites available for mud-balneotherapy and couples' well-being rituals.

Pools

- ***Hydro Relax***

The large size pool is about 26×10 meters, has been planned with a modern design, is able to transmit in its guests pleasant feelings. Thanks to the thermal water from the Spa with which the pool is filled, it can be enjoyed all year round as the temperature remains constantly between 32 and 34 degrees. This ensures a unique and relaxing experience.

- ***Aqua Fit***

The inside pool measures 24×8 meters and is communicating with the outside one. It is suitable for bathing and swimming and it has conceived to enable everyone to enjoy the extraordinary healing properties of the thermal-water. The pool is perfect for sports enthusiasts and for those looking for pure relaxation. Every day an experienced and qualified trainer guides you to discover a healthy activity: the AquaFit. Through his experience, guests can

learn the movements and the correct exercises depending on the particular objective pursued. The lessons are free of charge and the participation is open to each person. The opportunity to practice the hydromassage in a Spa pool allows to have an available space where to regenerate.

- ***Reha Fit***

This pool is one of the most important spaces of the whole Spa facility, because it is designed for practicing individual sessions of rehabilitation, AquaFit and AquaRelax. In this way you can rely on the care of expert physiotherapists with the aim of a full healing through exercises specifically created for your problem. The underwater equipment, such as hydro bike and other tools, allow the benefits of advanced technologies, that are essential to achieve the goal. Polychromatic music and lights make it a captivating and modern reality, very functional but capable of attracting public attention also in aesthetic terms.
